

### 7 Point Annual Inspections

- ❖ Lights
- ❖ Break away system
- ❖ Chain and hitch
- ❖ Tires
- ❖ Brakes
- ❖ Bearings
- ❖ Floor boards

### Pre-Trip Horse Trailer Safety Checklist

- Running lights
- Turn and brake lights
- Tire pressure and lug nuts
- Hitch latched and pinned
- Chain crossed and adjusted to prevent dragging
- All doors and hatches secure
- Trailer brake controller adjusted for load and conditions

Chris says if you need to buy brake parts, he recommends Commercial Clutch and Brake in Tacoma.
